## **Climbing to the Clouds: A People's History of BC Mountaineering**

**Grades 4 to 9**

**Format:** PDF online at [northvanmuseum.ca/program6.htm](http://northvanmuseum.ca/program6.htm)

Explore mountaineering while focusing on related historical, aboriginal, recreation, conservation and arts subjects. Students will investigate the scientific and technical advances made by mountaineers, their impact on wilderness conservation, and how mountain experiences have influenced our cultural heritage. This program is based upon the website of the same name which may be viewed, in French and English, at <http://www.virtualmuseum.ca/Exhibitions/Climbing/>
