Friday, May 11th (8:45am-3pm)

Regional Fair delegates, as chosen by their class or school, will participate in a full day of enrichment workshops. Taught by a team of cultural instructors, the workshops will increase student awareness of Canadian history, familiarize them with research resources and skills, and stimulate creativity through a variety of thought-provoking activities.

Friday, May 11th (3pm-8pm)

This portion of the Fair is open to the public and will celebrate the efforts and creativity of local students. Fair projects will be displayed against a backdrop of entertainment and heritage-related displays. The day will conclude with a ceremony honouring the efforts of our participants.
